

KRS-One Lyrics

"Doth Thou Know"

[KRS-One]

Thou knowest not what thou sayeth in speech?
Doth thou know what thou teacheth to each?
From thine own mouth, thy corrupt thine own house
Thy corrupt thine siblings and thine own spouse
 Satan has hold of thy spirit
 So evil has hold of thy lyric
 Whomsoever shall hear it shall adapt it
And walk the talk of evil just as ye rapped it
 But I cometh forth today to say thus
 Evil is an illusion, in GOD we trust
 In Satan we lust
Coveting thy brother's vehicle while riding the bus
 Feeling unjust
Trust not sinners in the flesh they aren't winners
 But in the spirit they art children, beginners
 Eat not of the dinner they serve
Seek the experienced MC, not the beginners in word
